Professional Summary

Ambitious fast learner skilled software developer has the knowledge in a wide range in Security Security (Pen Testing), Database Engineering, Machine Learning Technologies and different Programming Languages. Ability in understanding the required functionality to a new system and find a fast and robust solution to it. Eager to learn more.

EDUCATION

Faculty of Science, Software Industry and Multimedia Department

Alexandria, Egypt

Bachelor Degree of Science - Computer Science

Sept 2022 - Now

CGPA: 3.68

TECHNICAL EXPERIENCE

AI Olympiad Alamen

Mar 2024

- Won First place Cyber Security.
- learn about cryptography, reverse engineering, forensics.

ECPC

Jul 2024

- learn about Competitive Programming, Graphs, Dynamic Programming.

SKILLS

Programming Languages

C++—C#—Python—Java—Kotlin—Java Script

Database

MS SQLServer

.Net

Entity Framework—ASP.NET MVC—

Concepts

OOP—Data Structure—Algorithms—OS—Network—ML

Server-Side Technologies

Web App

Client-Side Technologies

HTML5—CSS3—Bootstrap—jQuery

TECHNICAL PROJECTS

- Hayah Hospital

- Implemented in HTML, CSS, PHP, Java Script.
- The System allows users to book an appointments to doctors, the users data are stored in db when they sign up, if the user is not registered in the system he wont be allowed to book an appointment, the user can choose the doctor and the preferred time for him.
- Applied UI/UX Design principles and Usability standards and guidelines.

- RSA Encryption Algorithm

- Applying RSA Algorithm to encrypt text.

- Matches Booking system

- The user enter his data then chooses the ticket categor(1st, 2nd, 3rd), after that he will get to choose between different teams, stadium, city. If the user is underage he wont be allowed to book a ticket.

- GYM Management System

- Built a database schema using SQL Server.
- Register User, chooses his coach, the user choose his class each class has its equipment each coach has a class, each user may has supplies.

LANGUAGES

- Arabic

- Native or Bilingual proficiency.

- English

- Professional working proficiency.
